

Duchesne County Conditional Use Permit

LaVon Giles

Extraction of Earth Products (Clay Pit)

A conditional use permit was issued September 3, 2003 on 10.00 acres, with the following conditions:

1. Must be maintained in a near dust free condition. Watering the site and roads during times of operation is considered maintaining a near dust free condition;
2. A bond shall be issued in the amount of one thousand dollars for each acre from which such material is taken as a guarantee of reconditioning. The number of acres cannot be modified until the issue is represented to the planning commission and the enlargement or modification is approved.
3. Reconditioning to assure the surrounding property is protected along with the beauty of the landscape.
